

MESSAGE GENERATOR

Part 2.

Using the ideas generated in Part 1 we will create your message by including the following sections: Beginning by Introducing yourself, then sharing your message, and ending your wish or hope for the recipient. Play with ideas below:

Introduce yourself:
Use no more than 11 words.

Your message to the recipient:
What do you want them to know?
Use no more than 14 words.

**Your hope or wish for the person in hospital
receiving your message:**
Use no more than 11 words.
